

How To Wear Your BPW Pin

The pin is worn in a vertical position over the heart (left side), with NO pin above it (except the United States flag). The proper placement of the pin over the heart can be determined by placing the thumb of the right hand at the base of the neck and fanning out the fingers of the right hand to a place over the heart. The pin is worn approximately where the little finger of the right hand rests.

As a member of Kentucky Federation of Business and Professional Women's Clubs, Inc. and the Business and Professional Women's Foundation, you are encouraged to proudly display the official membership pin, which depicts our national emblem.

If you do not have a pin, you are invited to purchase one through BPW Supply at www.bpwsupply.com.
