**ARTICLE VII: DUES**

Section 4. Each local organization shall pay state annual conference dues of ~~ten~~ dollars  
~~(\$10.00).~~

Section 4. Each local organization shall pay state annual conference dues of **twenty-five** dollars  
**(\$25.00)**

Rationale: The KFBPW Dues Task Force Committee was formed as a result of discussion on the budget at the 2026 State Conference. The Task Force has recommended that, since Conference dues have been the same for over 35 years and with the increase in costs, annual conference dues be increased from \$10.00 to \$25.00.

Rationale: The KFBPW Dues Task Force Committee was formed as a result of discussion on the budget at the 2026 State Conference. The Task Force has recommended that Membership dues be increased by \$10.00. They have been the same for 17 years. With the increase in costs and decline in membership, they recommend the increase as per the appendix above.
