

THE KENTUCKY CARDINAL

KENTUCKY FEDERATION OF BUSINESS & PROFESSIONAL WOMEN'S CLUB, INC.

Members Vote to Disassociate

Diane Croney-Turner, President 2009-2010 and Debrah V. Piece, Immediate Past President

Members of the Kentucky Federation of Business and Professional Women's Club, Inc. voted at the annual State Conference to disassociate with the merged BPW/USA and BPW/USA Foundation organization (merger effective July 1, 2009).

KFBPWC members met in a pre-conference Town Hall meeting to discuss the Merger and its impact on BPW/KY. During the opening business session a motion came before the member body to disassociate with the newly merged National organization effective July 1, 2009. After much discussion the motion passed. The reasons for disassociation were both financial and the questions surrounding what services state organizations will receive for a \$40 licensure fee (per member).

The member body moved on to the business of revising the Kentucky Federation's Bylaws and Policies. Members were diligent in this process; the revised Bylaws and Policies can be found on the Federation website www.bpw-ky.org. Revised Model Local Bylaws are being developed and will be sent to Local Presidents upon their completion.

We know you have questions and will attempt to address some of them in this joint article.

- **Are members required to pay the \$40 licensure fee?** Effective July 1, 2009 members, because of disassociation, will no longer be required to pay National dues or the licensure fee. However, State dues were increased to \$25 per member to help cover the cost of services that the State Federation will have to assume, i.e., Database Maintenance, Annual Billing of Dues, etc. The state organization will utilize a "Mayday Payday" dues assessment process. This will reduce the dues assessment process to once a year.
- **How does this affect Lobbying?** As a part of the BPW/USA Foundation merger the National PAC has been terminated. This is due to laws which prohibit 501(c)(3) organizations from being involved in any political activity. However, the Kentucky Federation can still lobby on issues that affect women and we expect to take a more active roll at the state and local levels.
- **How will this impact membership?** It is believed the disassociation will have a positive impact on membership, as the dues structure will be lower. Members have told us they have not renewed their membership because of the cost. Federation leadership is hopeful we will become a stronger organization with this lower cost to members.
- **How will the use of BPW/USA programs be affected?** Because of disassociation the Kentucky Federation and its Local Organizations will no longer be able to use the programs provided by the National Organization. Federation Leadership is working to structure similar programming for use by the LOs. If you would be interested in working on a committee, contact that chair. This gives members the opportunity to streamline programs and make them more relevant to our members. The program names will have to change since those used in the past have been word marked and trademarked by National.
- **Can the Kentucky Federation decide to associate with National in the future?** Yes, the Kentucky Federation can decide to associate with the National organization again. If members make the decision to associate in the future members would be assessed the licensure fee in effect at the time. Members can maintain their association with National "today" by paying the \$40 fee directly to National.

This is a year of CHANGE! The transition will be easier with all members **STEPPING UP, STEPPING OUT, and SPEAKING OUT** and about the Kentucky Federation. Federation Leadership is available to answer your questions and meet with members. You will receive information regarding program revisions as it becomes available. Please let us know how we can help you.

President's message

A Year of Change

Diane Crony-Turner

Greetings!!! First thanks to everyone who attended State Conference in June. It is a humbling experience to be serving as the 2009-2010 President with the changes before us this year. I publicly wish to thank Christian County Judge Executive Steve Tribble and Rev. Lincoln Bingham for attending the installation ceremonies. A special thanks to Sandra Anderson and Sonia Sanders for serving as installing officers and Sonia for the medley of songs. A great thanks to my family who attended and the Hopkinsville members.

Now to the business of the Federation. At State Conference the body voted to disassociate with BPW/USA Foundation effective June 30, 2009. With the disassociation come changes in the State Federation and the local clubs. Millie Lotter, Executive Assistant, contacted Frankfort about a name change and was informed that the Kentucky Federation was incorporated in 1980. The federation legal name is "Kentucky Federation of Business and Professional Women's Clubs, Inc.". The state will be using their legal name from this point forward. The abbreviation will be "KFBPW". If any local is incorporated, you will not have to change your name. Everyone is asked to not use and remove "National" or "BPW/USA" from any literature. Replace National with State. The Executive Committee presently is working on a new state logo. If any individual or local wants to continue with the BPW/USA Foundation you have that right. You will be responsible for submitting your dues to National.

With the disassociation come additional expenditures for the state. It was voted by the body to increase State dues to \$25 per year and going back to a "May Day is Pay Day" scenario. All State dues will now be due in May for everyone. When new members join, their dues will be prorated until May and then they will be on the same cycle as everyone. All dues renewal invoices for each local organization will be mailed to the local president. Locals will be responsible for collecting the dues and forwarding them to Millie Lotter, Executive Assistant, 420 Westfield Lane, Henderson, KY 42420. The dues invoice, when received by the locals, can be adjusted to reflect local dues and/or dues for member's employers.

The Executive Committee has accepted a bid for Directors and Officers Liability Insurance in the amount of \$1,000,000. The policy will cover all 33 locals. The Federation is asking each local to contribute \$25.00 toward the cost. Make checks payable to Kentucky Federation and mail to Karen Lamb, Treasurer, 2708 Cayce Meade Dr., Hopkinsville, KY 42240.

This year all clubs are requested to update your bylaws to reflect the disassociation with National and submit them to Beth Moore, Bylaws Chair, at 600 Buntin School House Rd., Manitou, KY 42436 or e-mail beth.moore@kctcs.edu before December 2009.

Some committee names have changed. Young Careerist is now Young Professional. For 2009-2010, a task force was appointed to revamp Kentucky's program. The task force will report suggestions to the Executive Committee. If you have any ideas or suggestions, contact Mary Beth Jessie, 1487 LeGrande Highway, Horse Cave, KY 42749 or e-mail Marybeth@scrtc.com.

The Individual Development Program will also be revamped, including a new name. If you have ideas or suggestions, contact Bonny Manning, P. O. Box 4904, Louisville, KY 40204 or e-mail bonnyman@win.net.

Kentucky Professional Women's Week will be held October 19 – 23, 2009. All locals are asked to participate in this week. The Federation will continue with recognition of Woman of the Year, Business Equity, and Woman of Achievement Awards. Local winners will be recognized at the Interim Board in Hopkinsville on November 14, 2009.

All members are asked to utilize the Kentucky Federation website more this year. We will try and keep issues updated on the site. If anyone has concerns e-mail me at diane@pacs-ky.org. All concerns will be shared with the Executive Committee. Please remember that we are volunteers and have full time jobs. It is the Executive Committee's goal this year to visit all locals. It may not be the President but other members of the committee. Please invite your state Executive Committee members to your monthly meetings. *(Please note that until March 2010, every Tuesday I have obligations and cannot travel.)*

This year our main goal is to increase membership. The challenge is for every club to recruit at least five new members. With the decrease in dues now is the time to sell this organization and its purpose of empowering women to make a difference in the communities in which they live, the businesses or organizations in which they work, and the family lives they touch on a daily basis. This is the year of change so be positive about moving forward. Negative attitudes require too much energy. Conserve your energy by being positive and move forward in working for all women of Kentucky. This year we will take one step at a time and one project at a time. Change did not happen overnight therefore solutions don't happen overnight.

Let's work to make the Kentucky Federation of Business and Professional Women the best Federation for all women. We want everyone to have a reason to join the Kentucky Federation. I look forward to a new and challenging year for Kentucky.

Best Personal Wishes,

Officer Reports

Janis Turner

BPW/KY President-Elect

First, I want to thank you for the opportunity to serve as your President Elect for the upcoming year. We have a year of change before us but what an exciting year! We will be laying the ground work to build a strong foundation for our organization.

We have a wonderful opportunity to listen to the wants and needs of our fellow sisters to focus on what is most important to us. The sky is the limit.

I left our state convention with a very warm and positive feeling. I feel our members have spoken and given us direction of what they want. They are embracing the need of change.

We can make this a year where every Professional Woman will want to join forces with us. So, let's recruit new members. We can utilize the knowledge and expertise of our members to build a very powerful organization to which we will be proud to pass down to our daughters, granddaughters, sisters and etc.

Let's make history!

Remember this is your organization, we need your input. Get Involved!

2009 KFBPW Young Careerist Elizabeth Nichols

Elizabeth is the Program Supervisor for Anderson, Shelby, and Spencer County Drug Court. She earned her Bachelor of Arts from Western Kentucky University with a Major in Political Science & Sociology and a Minor in Criminology. She has a Master of Science in Criminal Justice and Police Studies from Eastern Kentucky University. Elizabeth is a member of Shelbyville BPW and the North Region.

Elizabeth's Speech Topic- "How can men and children help women achieve equality and what responsibilities do women have to educate men and children on the inequalities that exist today for women?"

Dr. John Gray published a book—Men are from Mars, Women are from Venus.

I would assume that is pretty much true; however, men and women do have a common ground. The integrity and equality for the future of our country and children.

Equality is defined as—the state of quality of being equal; correspondence in quantity, degree, value, rank or ability but is that how society truly defines “equality” for women today?

Although much has been achieved for women's equality such as; the 19th Amendment giving women—including African American Women the right to vote and August 26th being designated as Women's Equality Day in the US—there is still much progress to be made on the issue of women's equality.

- Only 16% of executive Fortune 500 firms are women.
- There are 3 female suicide attempts for every one male suicide attempt.
- 87.2% of women are victims of sexual assault and rape.
- 1.2 billion of those living in poverty throughout the world are women.

But a more alarming fact is that the US government estimates 50,000 women are trafficked each year into the US for sexual exploitation, which isn't just an inequality but a violation of basic human rights.

These statistics not only demonstrate the current inequalities women face today but also reveal that inequality for women has been deeply embedded within our society.

We (as women) must take a stance for our efforts to advance within the business professional realm of society and seek equality so that fewer women will encounter or become such a daunting statistic.

We as business professional women not only need to be diligent in taking this stance but have the responsibility to educate men and children on the inequalities that exist today for all women—of all ethnicities and demographics.

Women can make a difference:

By enforcing and encouraging self-discipline and women's self-worth within society.

By women taking risk at opportunities that are generally not associated with the female gender.

By women continuing to educate ourselves whether it's with a professional degree or enhancing knowledge thru literature within the workforce, news, and/or community so that we maybe aware of current issues and political agendas.

And by not giving up on pressing issues such as women's equality—and to make women's equality everyone's issue.

By women taking a stance on inequality, taking risks, and taking opportunities it will draw the needed attention for men and children to not only acknowledge the inequalities of women but in hopes that men and children will take a stance on women's equality.

We must remember it's our responsibility as women to teach men and children about the inequalities women face today or this issue will never be addressed by those who are not affected by this matter.

This educational pursuit can start in your own home or family and expand into large numbers. If each of us takes the opportunity to commit and hold a higher standard/expectation of professionalism for women—it will make a difference and we will be recognized for our efforts.

It was we, the people; not we, the white male citizens; nor yet we, the male citizens; but we, the whole people who formed the Union... Men, their rights and nothing more, Women their rights and nothing less. Susan B. Anthony.

So... Ladies lets get moving!

2009 KFBPW

Individual Development Representative Christine Taylor

Christine began her career in education. Her training at the University of Arizona taught her that it is important to identify the audience's needs and then create a program to meet those needs. After years of applying this concept to her student audience, she began exploring the application in the business world. Christine was inspired by the variety of professional speakers and excellent programs. Christine is always seeking new information and enjoys sharing this new information with the people she meets. Her desire to share this information with others is what led her to the role of promoting qualified speakers to specific audiences.

In 2008 Christine founded her business LET THEM SPEAK and began connecting audiences and speakers. She is a member of BPW/River City, Inc. and the North Region.

I can handle my nervousness two different ways:

One, I just talk to you as my friends as Lori Marcum suggested during the IDP program; or two, Pretend you're sitting there in your underwear. To take the pressure off both of us I will talk to you as friends while I tell you about the reproductive education of three generations of women.

Now imagine, I was walking into the kitchen. There was my mother sitting at the table with her, always present, TAB cola. I walked to the refrigerator suddenly out of the blue my mother asked me if I would like birth control. Wow! I was surprised and shocked. Nooo, I told her. Yes the teenagers of my generation rolled their eyes too.

Anyway, that was the sex talk I had with my mother. Now I have two older sisters and each of us are a year apart. I thought then that she may just be working her way down the line. At the time her attempt at education seemed poor. But, when I interviewed her for this speech I began to understand why.

In my mother's day they didn't talk about "it". "It" wasn't a form of entertainment as it is viewed today. She said there wasn't pressure then to have "it". No girl from their 60 student graduating class left school because she was pregnant, as they did in my day. Nor did the girls stay in school with their growing belly like in my daughter's day. She learned about,"it" when she got married.

This created a problem, my mother had nothing from her upbringing to help her talk to her three daughters about sex. My two older siblings were no help to my education. Luckily, I have always been inquisitive so, I questioned my peers. Great authorities, right? As a result of my frustration, I had hoped to have a more open relationship with my daughter. I found ways to use television to talk about examples of good choices like on *The Gilmore Girls* or poor choices like *The Secret Life of the American Teen*. We also watch old movies together and talk about the romance. When a woman said are you making love to me it was flirting she was referring to. Today, the question would seem kind of dumb. In the old movies sex was not in your face. According to my mother, the legion of decency that would make sure of that. The screen would be faded to black before anything was shown. Married movie people slept in twin beds, which my parents did, and one foot on the floor at all times, which I don't think my parents did.

I don't remember any movies other than *Jaws* and the *Shinning* so I can't say that the movie industry provided any input for me. We had one little theatre in my little town so movies didn't happen very often. For my 18 year old daughter, with internet access, cable television, and multiple screened theatres, it's hard to keep her from the more fantastic or graphic representations of sex. The movie *Mr & Mrs Smith*, for example, where they destroy the house while they try to kill each other as part of foreplay. Or the more raunchy teen movies that explain more than I want to hear. But, I hope the time my daughter and I have spent together watching old movies and new movies and talking, will give her another perspective of love and romance.

My daughter has also learned bits and pieces from her friends, but we have had the opportunity to talk about the situations of her peers. We talk about how she feels and what advice she will give her friend. I felt that we had covered most of it, certainly more than my mother taught me. And what I hadn't covered I thought the school covered in male and female anatomy, as well as, diseases and pregnancy.

I have delivered this speech a few times and have been surprised to hear all the other stories out there.

It is hard to cover everything and should we? We want our teens be able to make educated decisions on a topic that is based on hormones and emotions. It is my belief that there is no one way to talk about sex. It more about balancing what our teens learn in society with the way *they think* and *the way we think*. I am proud of my daughter and the decisions she is making. It's not easy being a teenager now or when I was a teen or when my mother was a teen. I only hope that, when all is said and done, I will have provided her with some of tools she will need to talk to her daughter.

Committee Reports

BYLAWS

Beth Moore, Chair

It was great to see everyone at our BPW/KY state conference in June! Thank you to Past President Debbie Pierce and her leadership team for a very successful conference. I am sure that Debbie is glad that her eventful year has concluded. It was an action-packed year for sure with all of the merger information, the merger vote, and changes to our bylaws.

As I look forward to this year under President Diane Croney-Turner, I request the patience and diligence of all of the local organization presidents. We will be getting all of the changes made to the policies and procedures for our Kentucky Federation, but it will take some time to do that. The documents will be posted on the website of our state organization for you to access. My best advice is that each local organization use Microsoft Word to download the documents and then begin its local bylaws from those documents.

Although the national organization does not exist, the state and local organizations will still need to maintain current and pertinent bylaws. I know it will take time for everyone to get these revised, so just hang in there with me.

Finally, my biggest thanks is for Patti Fallin, who assists me on everything related to bylaws. She is the greatest help that I could have. During July I will be out of the office a lot, but checking my email every few days. If you need to contact me call (270) 824-8610 or email me at beth.moore@kctcs.edu.

KENTUCKY FOUNDATION

Debrah V. Pierce, Board of Trustees Chair

The purpose of this Foundation shall be to establish, maintain, and distribute a scholarship fund or funds to enable deserving citizens of Kentucky (male or female) to acquire the education/training necessary for careers in business and the professions; to give financial support to schools, colleges, and other qualified institutions for training and education for careers in business and the professions; to further the improvement or development of the capabilities of individuals by means of lectures, seminars, and other forms of instruction; to conduct and/or support surveys and other research projects in current international, national, and local problems of importance to the community; to conduct and/or support research in economic and social problems confronting this Commonwealth in those fields in which lie the interests and achievements of business and the professions; to solicit and receive gifts from individuals and organizations and to expand the principal or income thereof, or both, in carrying out the purposes of the corporation, and to hold, operate, use, develop, lease, sell, assign, or otherwise dispose of such real or personal property; to do all things alone or in conjunction with other persons, organizations, or institutions proper of desirable of accomplishing the purposes of the corporation; and to do and exercise any and all general powers, whether herein enumerated or not which a non-profit corporation may or can exercise under the laws and Constitution of the Commonwealth of Kentucky.

The very long run on sentence above states the purpose of the Foundation and is quoted verbatim from its BYLAWS. The Foundation is a Non-Profit Organization that must rely on contributions from members, businesses, industries, organizations, foundations, philanthropists, memorials, annuities, honorariums, bequests, special projects, voluntary contributions from the Kentucky Federation of Business and Professional Women's organizations, and individual Kentucky Federation members.

The Foundation needs your support more than ever. Your individual donation will make a difference in the life of someone who is attempting to make a change or break a cycle. The Kentucky Business and Professional Women's Foundation, Inc.'s Promise Campaign was rolled out at Interim Board 2008. Local Organizations were asked to provide contact information for companies and individuals who might be interested in supporting this worthwhile effort; I know Peggy Orberon or Joanne Story would like to hear from you. Together we can make a difference in the lives of others, every dollar helps.....PLEASE consider supporting Kentucky Business and Professional Women's Foundation, Inc., a 501c(3) organization.

"UNDER CONSTRUCTION"

Bonny Manning, ID Chair

President Diane Croney-Turner asked me to revamp and rename the Individual Development Program for 2009-2010 while maintaining the integrity and quality of the existing program. The current 14-module training and development program is officially "Under Construction" at this time, and YOU can be part of the New Program creation for 2009-2010. How? Send me your input, ideas, and opinions, or tell me how the ID program can function to better meet your training needs in your local community. Of course, this New Program will maintain the high quality of professional development for businesswomen and will continue the leadership and officer training needed for the Kentucky Federation across the Commonwealth.

Are you interested in serving on this Committee? Do you have an Idea for Me? We will be gathering ideas from other State leaders in St. Louis during our visit to the 90th Celebration, so get on board with this exciting new opportunity for 2009-2010!

The revised and renamed program will be ready for rollout during Interim Board, (Nov. 13-14, 2009) so don't wait. If you are interested in helping create the New Program for 2009-2010, please e-mail me at bonnyman@win.net.

NOMINATIONS

Susan Campbell, Chair

I was humbled and honored to be elected as Nominations Chair for the Kentucky Federation of Business and Professional Women at the state convention in Louisville.

Thank you for this opportunity to serve.

I'm honored to be serving with our new president, Diane Croney-Turner and other officers.

Committee Reports

CELEBRATE YOUR FREEDOM IN JULY!

Phyllis Hargrave and Donna Seeberger, Legislation Co-Chairs

July 4th is a wonderful, patriotic holiday that we all enjoy celebrating each year. Fireworks, picnics and many other outdoor activities are fun events we have the freedom to attend.

July is a good time to reflect on our forefathers who had the wisdom, courage and foresight to create the greatest democratic society in the world. We encourage you to take a moment to reflect on the great works done by all the men and women who helped shape the new world into our United States of America.

July is also a terrific time to make sure you stay informed on the activities of your current elected officials. You can easily do this by signing up at the following internet sites to receive notices of voting records and pending legislation. You might think that this doesn't really matter to you. Please take the time to realize that all action taken by our legislators matter to all of us. Write your legislators to make sure they know how you feel on issues that matter to you.

You can sign up at the following sites to receive notices of how your legislators are voting –

LOOKING FOR A FEW GOOD WOMEN

Debrah V. Pierce, Membership Chair

We are looking for a few good women.....to serve on the Membership Committee. This group will work to develop strategies to grow the membership of the Kentucky Federation of Business and Professional Women's Club, Inc. (KFBPW). As KFBPW President Diane Crony-Turner has been heard to say, this is a year of change. It is time to think outside the box as it relates to member recruitment, retention, and win-backs. I need your assistance. Several members have already volunteered to serve on the committee.....join us as we work to grow the organization. Please e-mail me at piercedv@aol.com or give me a call at 502-582-3056 if you are interested in serving on the membership committee. I look forward to hearing from you soon.

PUBLIC RELATIONS

Jerilyn Hippler, Chair

Wow! What a lot of changes! I hope you are as excited as I am about the possibilities of the business women of Kentucky! Now more than ever we need to make sure we communicate and keep each other abreast of what is going on not only on the state level but on the local level as well. You have heard me say time and time again how it is so important that your Executive Committee know what is going on in your locals. The only way that can happen is if you continually submit your newsletters or any of your correspondence that you as an officer of your local send out to your members.

Volume 81, Issue 1

With that said, please remember to send to me, the Executive Committee, and your regional leadership your newsletters and any other Public Relation information that relates to your local organizations. You will find our contact information within the Cardinal. If you have any questions, please give me a call or send me an email.

SOAR

Joanne Story, Expansion Task Force Chair

Permit me to say how honored I am to serve in this time of change and reorganization. "The Sky is the limit." This will be an exciting time for our organization. Remember, "ALL OF US WORKING TOGETHER ARE BETTER THAN ANY ONE OF US." My goal is to Organize/Charter one new local and Organize/Charter one new College Samothrace Club FOR 2009-2010. (The Samothrace organization is due a name change in the near future).

I wish to implement a NEW CAMPAIGN in order to ORGANIZE and CHARTER NEW CLUBS for the Kentucky Federation of Business and Professional Women - **S O A R**.

I encourage all of you to look at your service area and notify me where there is a need for a NEW CHARTERED CLUB. Make the contact, invite ladies from the area of need to lunch, contact working women in your service area through your network of friends and relatives. Get contact information to me so that I can pick up the ball and run with it. If you are located

near a College or University, consider sponsoring a new Samothrace Club. I have my running shoes clean and ready for the run to the finish. (Hey, sounds like a true Blue Fan)

Women represent over half (51%) of Kentucky's population. We must focus on Economic Sufficiency, Education, Equity, Leadership and Well Being. We have a real need for NEW CLUBS to establish GROWTH, NEW INITIATIVES, NEW THINKING and NEW VISION for the Kentucky Federation of Business & Professional Women. If we are to make meaningful progress that will benefit all Kentucky women we need to work together and continue to update our mission until we have a KFBPW Organization that each and every one of us will continue to be proud of our strong affiliation, as well as initiate growth through new clubs.

Friends Are Like Angels Who Lift Us To Our Feet When Our Wings Have Trouble Remembering How To Fly!

BPW/HOPKINS COUNTY

By Algja Morrow, President

Hello to everyone from BPW Hopkins County! I hope each of you had a safe and fun-filled July 4th Holiday. We have a lot of new challenges ahead, and I have a lot to learn, but I know everything will work out in the end! I am looking forward to this year and all the new experiences. At this time my email is not up and running, but you can contact me at 270-875-6657.

BPW Hopkins County is co-sponsoring the Hopkins County Junior Miss Program this year along with Merle Norman Cosmetics, owned by BPW/Hopkins County Member Sharon Smith. We are looking forward to our first Program which will be held August 9th. Everyone is working hard to make sure it is a success.

We are looking forward to growing our club this year. We hope the many changes that have taken place will be a positive influence and help us grow stronger.

GLASGOW BPW

By Becky Barrick, President

I am excited about our BPW year, which has already proven to be a "year of change". Isn't it wonderful to be a part of history in the making of our empowering organization?!

Our club lost two of our members and dear friends, Maurae Foster and Rutha Tenry. We were honored to sing the emblem benediction at their funerals. Mixed with the sadness is the excitement of Mrs. Pearl Greer celebrating her 101st birthday in May.

Seven of our members represented us at the State Convention in Louisville on June 5-6. Our club will be well represented on the regional and State levels this year. Janis Turner was installed as State President-Elect; Georgia Beth Albany was appointed state mentoring chair; Mary Beth Jessie was appointed state task force chair for the new Young Professionals program. Mary Beth will also serve as regional director and Monica Conrad as regional secretary. Sherrie Burgess will serve as contact person for the state convention in June 2010 at Barren River State Park.

New programs and activities planned this year include a Book Club developed by Vice-President Kathy Bruner that will meet the 2nd Monday night of each month. Karalee Oldenkamp is developing a fitness program geared to all fitness levels for our members. These programs will help each one of us in mind, body and spirit. Thanks, ladies.

HOPKINSVILLE

By Karen Hunter, Recording Secretary

The installation service for the Hopkinsville BPW Club was held on May 21, 2009. Our new club officers are: Karen Lamb - President, Sue Mock - President Elect, Dorothy Tolliver - Vice President, Karen Hunter - Recording Secretary, Rita Brown - Treasurer, Mary Fletcher - Executive Assistant, and Juanita Martin - Parliamentarian. We began our new club year with seven of our members attending the State Conference in Louisville where we saw two of our members being installed as State Officers. We are very proud of our own, Diane Croney-Turner serving as the new President for the Kentucky Federation and Karen Lamb as Treasurer.

On June 12th the Hopkinsville BPW Club participated in the American Cancer Society "Relay for Life" that was held at the Stadium of Champions in Hopkinsville. We had fifteen team members that raised money as well as walked for the cause.

As always, the Hopkinsville Club's feet have hit the ground running and are gearing up for another good year!!!!!!

OWENSBORO BPW

By Sherion Roberts, President

This year is going to be very eventful. I have some very important events planned to peak interest and enhance lives.

First, we will be having lunch meetings which I hope will work better for everyone's schedule. These meetings are August 18th and September 15th, at the Miller House, 301 East 5th Street. We plan to continue this for the next few months so we can get our attendance up and our membership even higher.

In recent meetings we have discussed holding a "Woman's Summit" in the fall. I am working with City Commissioner Candance Brake, Past City Commissioner Cathy Armour and Girls Inc. Director Tish Osborne on combining the Girl's Summit with a Woman's Summit this year. We need women involved in the political arena and on influential boards and committees. This will only occur when women of Owensboro/Daviess County join together and support the best candidates for these positions. My goal is to encourage all the women's groups in our county to come together as one strong voice. I have compiled a list of women's organizations and will have it at our next meeting to hand out for additions or corrections.

I hope everyone is has a great summer! Anything beats ice and cold.

Local Club News

PRINCETON BPW

By Susan Campbell

Princeton BPW is gearing up for the busiest part of their year. In August, the club sponsors The Tiny Miss and Master Pageant for children ages 1-3, in conjunction with the Black Patch Festival held here. This has and continues to be a great fund-raiser for the club.

It is hoped the disassociation from BPW/USA and the resulting lower dues is going to push our membership upward and bring in new people. It has been very difficult for the club to encourage young people to pay the dues that were very high.

Newly elected officers Sharron Belcher, president; Maggie Gammon, vice president; Carol Evans, recording secretary; Ginnie Oldham, treasurer; and Patsy Oliver, corresponding secretary were installed at the May meeting by Caldwell County Judge/Executive Brock Thomas. They are gathering ideas and plans for making their leadership this year a monumental success.

Five members, Sharron Belcher, Susan Campbell, Barbara DeAngelo, Maggie Gammon and Jennifer Nelson attended the convention in Louisville. It was an inspiring meeting that filled the group with promise for the coming year.

WKU-GLASGOW SAMOTHRACE

By Christy Williams, President

WOW! Spring came in with a bang for the WKU-Glasgow Samothrace. We are excited about our charter club and the many opportunities it gives us as WKU students. Already we have been planning new and exciting meetings so stay tuned to see what is happening here at WKU.

We held mock interviews for some of our graduating seniors, giving them an opportunity to find out what potential employers are looking for. We also had people critiqued their resumes to make sure they would catch an employer's eye. I am proud to say some were later called for interviews because of impressions they made at that meeting.

We have had the pleasure of being mentored by the wonderful Georgia Beth Albany. She has been sharing some of her wonderful knowledge about this club and all it has to offer. We are truly blessed to have her.

We want to thank Sherrie Burgess for her undying love and support in getting our club up and running. There are so many aspects that we were not familiar with and the Glasgow chapter has been there for every step we have made. Thank you ladies for your support!

Keep watching for more updates and exciting news.

SOMERSET BPW

By Magan Damron, President

The Somerset Business and Professional Women's Club is very excited about the changes approved by the Kentucky State Federation of Business and Professional Women's Clubs, Inc. While we know there will be some challenges and hurdles to overcome, we are looking forward to taking our Club to new heights!

The 2009-2010 Somerset BPW officers are:

President – Megan Damron
President-Elect – Tammy Cundiff
Vice President – Fran Roberts
Treasurer – Melanie Hines
Secretary – Barbara Sanders

With the leadership of our officers and committee chairs, we are encouraged to take our Club to another level. We have goals of introducing new fundraising opportunities, increasing membership, and community awareness. As Joanne Story always reminds us, the Somerset BPW is the Best Kept Secret in Pulaski County! Our devoted membership has aspirations of making that saying obsolete!

Although June and July are travel months for our Club, we will be back to regular meetings in August. We meet at 5:30pm on the 4th Thursday of the month at First Southern National Bank. If you are visiting the Somerset area, please feel free to visit us!

Meet Your 2009-2010 Elected Officers

Diane Croney-Turner **BPW/KY President**

I would like to thank everyone for their support the past four years I have served on the Executive Committee. I would like to now ask for your continued support as President and I am honored to serve Kentucky Federation of Business and Professional Women's Club, Inc.

I am an active member of the Hopkinsville Business and Professional Women's Club where I have been a member since April 1994. I am employed by Pennyrile Allied Community Services, Inc., as Finance Director and have been an employee for 34 years. I also serve as Finance Director on a management team for West Kentucky Allied Services, Inc. I am a member of Virginia Street Baptist Church where I serve as church clerk, children's choir director and sing in two choirs.

I serve on several boards and have served as Program Coordinator for Focus 21st Century Minority Leadership Program for 9 years.

I live in Hopkinsville with my husband Charles. I am the 3rd child of ten children.

Janis Turner **BPW/KY President-Elect**

I would like to thank you once again for allowing me the opportunity to serve as your President Elect this year. It was a very rewarding experience to serve as your Treasurer and Vice President. I was able to network with so many women throughout the state and develop lasting friendships.

I have been a member of BPW since 1999. I have been an active member serving as a local Officer; various committee chair positions and chair of fundraisers.

I live in Glasgow. I am the proud Mother of a daughter (Ashley) and husband (Ben) along with a wonderful Granddaughter (Kensey).

I have been in banking over 30 years and currently serve as Vice President of PBI Bank. I have been very active in my community for several years serving as an Ambassador of Glasgow Barren County Chamber of Commerce, Director of Glasgow Rotary Club, and a Paul Harris Member of Rotary and Commissioner of Joint Glasgow Barren County Planning and Zoning Commission.

I am very excited about the upcoming year and look forward to working with each of you.

Suzanne Forshee, **BPW/KY Vice President**

I'm very honored to be serving as Vice President for the 2009-2010 BPW/KY year. Thank you for your confidence in my dedication to this organization and your

support. I know that we will have a fun & exciting year as we find new ways to promote the organization across the state.

I'm from Franklin and have lived there most of my life – with the exception of a three year period when my husband Scott was in the Marine Corps and we lived in North Carolina. We have two children, Zac is 17 and attends the Gatton Academy of Math & Science at WKU, and Allie is 11 and will be starting middle school this year. We'll be starting a new adventure this fall as we begin the college search for Zac. I currently work at Fruit of the Loom as a Senior Forecasting Analyst for Intimate Apparel (ladies & girls underwear).

I have been a member of Franklin BPW for the last seven years. During that time I have served on several committees, chaired various committees, and held most every office on the local level, including a two year run as local president.

I'm excited about the possibilities and opportunities we have for the coming year. If I can be of help to any member or local as we work through this year of change, please don't hesitate to give me a call.

Sandra Anderson **BPW/KY Recording Secretary**

I joined BPW in 1986. I have held the local offices of Corresponding Secretary, Recording Secretary, Second Vice President, First Vice President and President, along with chairing the following committees: National Business Women's Week, Legislation, Finance, Young Careerist and Birthday.

At the regional level, I have served as Assistant Regional Director and Regional Director. On the state level, I have held the offices of Recording Secretary, Vice President, President-Elect and President. I have also chaired the state committees of Young Careerist, Membership and the BPW/KY Foundation Board of Trustees.

I am originally from Opp, Alabama and graduated with a Bachelor of Science Degree in Home Economics Education and Merchandising. I have been married to Tommy Goldsberry for 20 years. I am employed as a Unit Sales Manager with Altria Sales and Distribution. My hobbies include BPW, reading, sewing, scrapbooking and gardening.

Karen Lamb **BPW/KY Treasurer**

I am a CPA and have worked for Calhoun & Company, a local accounting firm, for 10 years and am currently audit manager. My experience allows me to know the requirement of non-profits in regards to financial and tax issues. If a local needs help or has question regarding these issues, I am

only an email or call away. Currently I hold the position of Hopkinsville BPW president and have served as state treasurer for the 2008-2009 year. I am happy to serve Hopkinsville and Kentucky.

Glasgow Business & Professional Women's Club remember their sisters

Maurae Foster

Maurae Foster, one of the club's charter members, died Sunday, May 17, 2009. She was 86 years young.

The Glasgow club was granted its charter on Oct. 6, 1955, and Maurae, one of the club's original members, was named the organization's third president from 1957-58. She missed only two meetings in over 50 years of membership.

During her presidency, the club joined with other local organizations to promote a clean-up/fix-up drive for the city, headed a Stamp Out Polio Drive and conducted a drive to raise funds for the American

Red Cross. Other projects included purchasing a lighted sign for the city recreation center, sponsoring an exchange student from Switzerland, and joining area churches in a "TV for TB" fund drive that provided televisions for the local state hospital.

Maurae was elected vice director of the B&PW District when her presidential year ended. She also received the key to "My Old Kentucky Home" from the Kentucky Chamber of Commerce and was the first woman to be so honored.

Everyone who knew Maurae loved her. She was kind to each person she met and was a good friend to all who were lucky enough to be members of her ever-expanding circle of companions and acquaintances.

Maurae loved B&PW and remained active in the club throughout the years of her membership. She loved to have fun and was a talented performer. Many locals remember the occasions when she would dance the Charleston, much to everyone's enjoyment, especially her own, even dressing as a flapper for a club talent show one year.

Maurae simply enjoyed her life and the people in it. She was a devoted wife and the mother of two sons.

She was employed by South Central RTC for many years. After she retired from the telephone company, she began working in the Barren County Property Valuation Administration office, continuing to work part-time there until her death.

Maurae was also devoted to Glasgow Baptist Church where she taught Sunday School and sang in the choir for more than 40 years.

Rutha Tenry

Rutha Buckley Tenry served as the 20th president for the Glasgow B&PW Club from 1974-1975. She joined the club in the early 1960s.

She was 87 when she died on Monday, May 25, 2009. It was a fitting tribute that she passed away on Memorial Day, as she will be well-remembered by family and friends.

During Rutha's tenure, the club spearheaded a community drive that raised more than \$7,000 for the purchase of a heart defibrillator for T.J. Samson Community Hospital and she worked tirelessly to promote

B&PW projects in the community.

Rutha was a successful business owner and hairdresser for many years in Glasgow. For 42 years until her retirement, she owned and operated Rutha's Beauty Salon on East Main Street. After retiring, she managed rental properties in the city and also mentored many local young beauticians as they began their careers.

She was a doting aunt to her nieces and nephews. Family, friends, church and community were all very important to Rutha. She was a member of First United Methodist Church and the Eva Dean Kemp Circle there, a member of the Glasgow Garden Club for 15 years and a member of the Order of the Eastern Star since 1953 in which she was named a Past Matron in 1992 and a lifetime member in 2005.

The things Rutha enjoyed most in life were spending time with family and friends, traveling and gardening.

Both women contributed greatly to the club and the community of Glasgow.

"Working with people like Maurae and Rutha made newspapering more pleasurable for me," said former Glasgow Daily Times editor Joel Wilson of the two women. "They worked behind the scenes, often with little recognition or credit, simply because they wanted to leave this place better than they found it."
