

THE KENTUCKY CARDINAL

KENTUCKY FEDERATION OF BUSINESS & PROFESSIONAL WOMEN'S CLUB, INC.

Volume 92, Issue 1
August 2020

President's Message

*Amanda Ishmael
2019-21 KFBPW President*

Hello!

I hope that this Summer issue of the Kentucky Cardinal finds you and your family well! I hope that you're staying cool with all the heat that Mother Nature has turned on here lately! I'm disappointed that we couldn't gather this past June for our State Conference. I miss seeing you all and having fun while we're together. Fingers crossed that we can meet up for Interim Board this year.

On August 26 we will be celebrating Women's Equality Day. This date was selected to commemorate the 1920 ratification of the 19th Amendment that granted women the right to vote. This was the finale of a massive, peaceful civil rights movement by women that had its formal beginnings in 1848 at the world's first women's rights convention at Seneca Falls, New York. This date also calls attention to women's continuing efforts toward full equality. It took 72 years (1848 – 1920) of constant effort and supporters devoted to the women's suffrage campaign. Susan B. Anthony, a suffrage leader was arrested, tried and fined in 1872 for voting in the election! The margin of victory for the 19th Amendment was two votes in the senate and forty-two votes in the House of Representatives to be passed by the U.S. Congress. August 26, 2020 marks the 100th year anniversary for women having the right to vote. Even though we women have come a long way – we still have more to go!

At the beginning of the article you saw that I mentioned Interim Board. As of right now, yes, it's still on the books for November 6th and 7th, held at Hilton Garden Inn in Elizabethtown, KY. Please know that your Executive Committee will be monitoring what is going on in our state with the Covid-19 pandemic and we will make the best judgement for the Federation as we get closer to that date. It is important to make sure that we have the current Local President contact information.

Stay safe! Wash your hands! Remember social distance!

Amanda

ABOUT THE WOMEN'S SUFFRAGE MOVEMENT

In 1848, the woman suffrage movement was officially launched with the first women's right convention held in Seneca Falls, New York. The convention was organized by Elizabeth Cady Stanton and Lucretia Mott. A declaration of the rights of women was issued, including the right to vote at the convention. Under the leadership of Susan B. Anthony, Elizabeth Cady Stanton, and other women's rights pioneers, suffragists circulated petitions and lobbied Congress to pass a constitutional amendment to enfranchise women. The campaign lasted over 72 years before women in the United States finally won the right to vote.

The National American Woman Suffrage Association (NAWSA), under the leadership of Carrie Chapman Catt campaigned in individual states and lobbied President Wilson and Congress to pass a woman suffrage Constitutional Amendment. In the 1910s, NAWSA's membership numbered in the millions.

The National Woman's Party (NWP), under the leadership of Alice Paul, took a more radical approach to get the attention of President Wilson and Congress by picketing the White House to pass an amendment that would allow women to vote.

The Delta Sigma Theta Sorority marched as well; the group was the only African American women's organization to participate. Ida B. Wells-Barnett, a journalist, outspoken suffragist and anti-lynching crusader, founded the Alpha Suffrage Club of Chicago, the first African American women's suffrage organization.

In 1920, after a long and difficult struggle, the 19th Amendment, enfranchising women, was ratified. This victory is considered the most significant achievement of women in the Progressive Era. It was the single largest extension of democratic voting rights in our nation's history, and it was achieved, through democratic processes.

National Women's Suffrage Month

Programming Scheduled throughout August

WASHINGTON, July 23, 2020 /PRNewswire/ -- The **Women's Suffrage Centennial Commission** (WSCC) will commemorate 100 years of the 19th Amendment and women's constitutional right to vote with National Women's Suffrage Month throughout August. Americans are invited to join the WSCC in celebrating this monumental chapter of U.S. history through dozens of free virtual programs and events between Aug. 1 through Sept. 2.

The WSCC and the U.S. Senate have designated August 2020 as National Women's Suffrage Month, a month-long celebration honoring the history of women's fight for the vote. Learn more about the WSCC and upcoming National Women's Suffrage Month events at www.womensvote100.org/suffragemonth.

A digital version of the exhibit will launch on the WSCC's website, www.womensvote100.org, on Aug. 25.

Forward Into Light – On Aug. 26, buildings and landmarks across the country, including the Library of Congress and National Archives, will light up in purple and gold in honor of the suffrage movement.

Ripples of Change Statue – On Sept. 2, the WSCC will join Senator Kirsten Gillibrand and the New York State Women's Suffrage Commission in Seneca Falls, NY to announce the dedication of a commemorative centennial statue, *Ripples of Change*.

Throughout August, the WSCC will also hold weekly suffrage webinars and will post daily educational content on **Twitter**, **Facebook**, **Instagram**, and **Youtube**. Find more programs and events on the WSCC's National Women's Suffrage Month calendar at www.womensvote100.org/suffragemonth.

"The WSCC is excited to share the story of women's fight for the vote with virtual events, programs, and activities throughout August in celebration of National Women's Suffrage Month," said WSCC Executive Director Anna Laymon. "We are grateful to the U.S. Congress, the President, and our partners for their passion for the centennial and their dedication to suffrage history. By working together to amplify the important but under-recognized stories of the suffrage movement during this pivotal month, we can ensure that this history is remembered and celebrated for generations to come."

The WSCC was created by Congress to coordinate the nationwide commemoration during the 100th anniversary of the 19th Amendment, which was officially signed into the U.S. Constitution on Aug. 26, 1920. The amendment prohibits the United States or any state from denying the right to vote based on sex, protecting women's access to the ballot in the Constitution. Led by a bipartisan group of 14 women leaders, the WSCC has a nonpartisan mission to ensure that Americans across the country have the opportunity to participate in the centennial and to learn about this important but often overlooked history. Learn more about the WSCC and its initiatives at www.womensvote100.org.

Officer Reports

Laura Tyree - Vice President

I am so pleased to serve you again as Vice President for the 2020-2021 year! As Vice President, one of my main roles is to help increase membership and maintain our current membership. As we think about our future, we must think about recruiting new members, in particular younger members who can grow with BPW. So how do we attract younger members? We must cater to their needs in some way. Younger business and professional women need mentors to show them the way and inspire them to be the best they can be. I challenge each club to look at their mentoring programs and utilize those as a means to attract new members.

As we plan for this coming year in this uncertain time, I encourage each of you to think outside the box. Just because we can't meet in person does not mean there are not ways we can help one another or do things for our communities in supporting business and professional women. In addition, this can be a great time to utilize technology to reach out to our members, future members and state and federal leaders in promoting our mission.

I wish you all the best of luck in the coming year in all you do!

Diane Crony-Turner - Treasurer

The 2020-2021 local assessed insurance for coverage of your monthly meetings, in the amount of \$75.00 and the \$10.00 State Conference dues for a total of \$85.00 are due. Make check payable to KFBPW and mail to Diane Crony-Turner, KFBPW Treasurer, 26 Harton Place, Hopkinsville, KY 42240

Sharon Taylor-Carrillo - Recording Secretary

I am happy to be able to serve you for another year as Recording Secretary. I joined TN/BPW in 1987 and KFBPW in 2007. During my 33 years as a BPW member, I have held various positions on the local, regional, and state level, including serving as State President in TN twice and KFBPW President in 2015-2016. Currently I am a member of the Franklin BPW in KY and a member at Large in TN. I am very active in the Franklin community: serving on several boards and holding offices in Girl Scouts, Simpson County Homemakers, KY Women's Mission Union, and the African American Heritage Center. I am also a volunteer for the Red Cross, 4-H, and the American Cancer Society. I have been married to Miguel Carrillo for ten wonderful years. Between the two of us we have five children and seven grandchildren. We are members of Calvary Baptist church and serve as often as possible. We have a serious Coca Cola collection, love Black Cats and we visit Mexico as often as we can. BPW has become very important to me over the years and now I enjoy it with my mother Alice Bailey, my sister Sherita Jones, my daughter Liz Stanley, and my husband Miguel Carrillo, as well as all my BPW friends in KY and TN.

Region Report

West Region

Laura Tyree, Director

Mark your calendars now for the West Region meeting for this coming year in beautiful Franklin, Kentucky on March 20, 2021. We are so hopeful that we will be able to meet in person by that time. If you have any ideas or suggestions for the meeting you would like to share, please feel free to email me at laurarclaudiag@aol.com.

For your local club meetings, I hope we are all either able to meet with social distancing or via some virtual platform. Please post your meeting and event information to the KFBPW Facebook page so that other neighboring clubs can be a part of your club whenever possible. One of the best ways to grow our region is to share our ideas and events so that we can learn from one another.

Committee Reports

Aspiring Professional

CATHY HUGHES, CHAIR

Ladies, please start work on your Aspiring Professional candidates for this next year. There will be no changes in criteria or topic. I hope to see you all at Interim Board and hear of the great works you are doing in your organizations! Stay healthy and safe!

Finance

PEGGY ORBERSON, CHAIR

If your club has not done so already, it would be wise to take the time at an upcoming meeting to prepare a working budget for the year or appoint a committee to do so. Even though it takes time, it can serve members well during the year. Once your local's activities are planned, you should have a better idea of the expenses involved, which will give you input for the amount of fundraisers needed. This saves meeting time in future months, because you don't have to approve every single expense item if it was originally approved in the budget. With current pandemic conditions, this may cut down on online meeting time.

There is a sample budget on the bpw-ky.org website to help you develop a budget for your local. Be sure to include expenses for state conference fee (\$10) and local portion for liability insurance (\$75). Also, consider supporting the KBPW Foundation, which awards scholarships to deserving young men and women of Kentucky.

If I can be of any assistance to help you in the budget process, don't hesitate to contact me at 859.749.0704, or email at peggy.orberson@gmail.com.

Kentucky BPW Foundation

DIANE CRONEY-TURNER, CHAIR

The KBPW Foundation has been meeting by zoom during the coronavirus pandemic. With the cancellation of State Conference, the Foundation met and awarded four (4) scholarships, two in the amount of \$2,500 and two in the amount of \$1,000, for a total of \$7,000.

The Foundation is still accepting donations to the Promise Campaign. Make check payable to KBPW Foundation Promise Campaign and mail to Donna Howard, KBPW Treasurer, 1328 Copperfield Ct., Lexington, KY 40514. The donations go to fund scholarships that are giving in June and November of each year.

The scholarship application is on the KFBPW Website, www.bpw-ky-org. For application questions and additional information, contact: Brooke Archila, Foundation Scholarship Chair, brooke.archila@kctcs.edu or call (270) 824-1884. The next deadline for scholarship applications is October 15, 2020.

The Foundation would like to thank everyone for their donations in 2019-2020 and encourage you to make a donation in 2020-2021.

The Foundation want everyone to stay safe, be healthy, and follow the guidelines in reference to the COVID-19.

Kentucky Professional Women's Week

BRENDA BAKER, CHAIR

It has been a very tough year for all organizations and locals. Covid19 really messed with our local activities and meetings. I hope Covid19 is under control by fall, but if not we will "get through it together." I am Brenda Baker, KFBPW KPWW Chair for 2020 - 2021. Please celebrate Kentucky Professional Women's Week for 2020 by honoring women in your local and community. If you do not meet in October due to Covid19, please celebrate women later in the year for a month or 7 days. Start planning now!!

The website forms have not been updated so I will have more on KPWW in your fall Cardinal. If you have any questions, please call me at (859) 749-2247 or email at bren_bpw@hotmail.com

I certainly missed my BPW sisters since there was no state conference. Love you all and hope you are well.

2019-2020 Local Assessments Are Due

INSURANCE: \$75

The Executive Committee accepted a bid through McElroy, Wharton & Boldrick, Inc. for two Insurance Policies. One is our Directors and Officers Insurance with Old Republic and the second is General Liability Insurance with a Treasurers Bond through Westfield. Both policies are for the fiscal year 2020-2021 and cover the State, Regions and Locals; however, Locals are not covered in the Treasurers Bond. Also, some **special events are not covered** in these policies and the Local must obtain a one-time policy per event (special events, such as a carnival, raising money, selling alcohol, wine tasting). Check with Derinda Osbourne (859-336-3982) to verify coverage for any special events your local may host.

The total cost of insurance is \$2,399.02 split between the Directors and Officers at \$1,096.68 and the General Liability at \$1,302.34. Each LO is assessed \$75 per year by the KFBPW to cover part of this expense or \$1,050 of the total \$2,399.02 cost.

Local Assessments are **due July 1 of each year**. If you have not yet paid, make your check payable to KFBPW and mail to Diane Croney-Turner, KFBPW Treasurer, at the address below.

STATE CONFERENCE DUES: \$10

According to Article VII, Section 4 of the Kentucky Federation Bylaws, each Local Organization shall pay annual state conference dues of \$10 and should remit them to the Kentucky Federation of Business and Professional Women's Clubs, Inc. **postmarked on or before July 31st of each year**. Make your check payable to KFBPW and mail to Diane Croney-Turner, KFBPW Treasurer at the address below.

Both the \$75 Insurance Assessment and the \$10 State Conference Dues can be sent in one check to:

Diane Croney-Turner
KFBPW Treasurer
26 Harton Place
Hopkinsville, KY 42440

DO NOT INCLUDE MEMBER DUES in the check with Insurance Assessment and State Conference Dues, please. Member Dues should be submitted to KFBPW in a separate check to the same address.

MEMBERSHIP DUES ARE DUE MAY 31ST OF EACH YEAR

Many of you have indicated that you are having problems determining the cost of dues for a new member joining in a month other than May. So, I have created a schedule of how much dues will be for any new member who joins in any particular month. **This is for new members only!** All continuing membership dues are \$25.00 for regular members and \$15 for student members, **no matter when they are paid. There are no pro-rated dues for continuing members.** Dues are due May 31st of each year. And any member who has not paid by August 15 will be dropped from the state membership roster.

When submitting dues, send them to Treasurer Diane Croney-Turner. Include name, address, phone numbers (home, work, cell and fax) and email address. Also include their join date so we can enter the correct information in the database. Membership submittal forms are available on the Website - www.bpw-ky.org. Also, indicate if they prefer the electronic version of the Kentucky Cardinal versus a mailed copy. Also send a copy of the form to Patti Fallin. If you have questions, please contact Treasurer Diane Croney-Turner or Database Manager Patti Fallin.

ROSALIND TURNER

One of the last programs at a Fort Harrod Business and Professional Women’s Club meeting was a discussion of tourism and its economic impact in the community. No one knew then that tourism would almost completely shut down in Mercer County – just like everything else around the state because of the COVID-19 health pandemic. Like other clubs, the Fort Harrod BPW has not been holding meetings for months due to the pandemic. However, the president has kept everyone informed and updated on women’s issues through e-mail. The club members have also continued their support of programs that ensure students do not go hungry. Even though students have not attended in-person school for months, school staff has delivered or made available, lunches to those students who needed it and continued its backpack program that provides easily prepared foods for students that might not have food on the weekends. BPW has been supporting the backpack program for several years and continued to do so during the shutdown. Members donate food, gift cards and money to the program.

Fort Harrod BPW President JoEtta Wickliffe with Karen Hackett, executive director of the Harrodsburg/Mercer County Tourism Commission, who shared the impact of tourism in Mercer County.

SHARON TAYLOR-CARRILLO, PRESIDENT

This year we will BEE focused on increasing our membership and educating our community about the benefits of BPW. With the new Covid/Normal way of life, we too have adjusted, adapted and are moving forward.

We are proud of our members that are serving the state: Laura Tyree, Vice-President; Sharon Taylor-Carrillo, Recording Secretary; Sherita Jones, Public Relations Chair; Michelle Hardesty, Professional Development Chair; and Cathy Hughes, Facebook Administrator.

BPW participated in the Bicentennial Cruise over the July 4th weekend. Currently we are collecting school supplies for our local Back to School Bash and we will host a luncheon to welcome new teachers during their orientation days. Both of these events have been modified to BEE Covid friendly events. We look forward to growing our local and the state organization by increasing our membership and retaining our current members through endless opportunities to BEE involved with BPW and our community. We are currently holding our monthly meetings via Zoom and it has worked out great BEEing the BUSY BEES that we are. If you would like any information on our events please like and follow us on Facebook “Franklin Business and Professional Women”, because it’s going to BEE a great year.

Heritage BPW

PEGGY ORBERSON, PRESIDENT

Heritage BPW members met in June for the first time in three months to plan our programs and activities for the year. It was so good to see everyone in person. Necessary business has been conducted by email or electronic conferencing prior to this. Scholarship recipients were selected for two of the three schools that we sponsor. With schools being closed, it has been difficult for our scholarship chairs to communicate and get applications.

Our annual outing to Pioneer Playhouse has been scheduled for August 6 this year since they have modified their schedule. Hopefully the virus numbers will start to decrease so they won’t have to cancel this play as well. Everything seems to be on hold until we get closer to events. I hope everyone is safe and healthy. We really miss having State Conference and seeing everyone, but understand the necessity of cancelling. Let’s hope 2021 is going to be better!

Hopkins County BPW

BROOKE ARCHILA, PRESIDENT

This year has certainly been a challenging one, but I've seen many things that have put hope in my heart. For our Hopkins County BPW New Officers Installation, I chose the theme of a rainbow. The rainbow is a symbol of hope, and that's my focus this year. Hopkins County BPW is meeting via Zoom each month. I'm proud of the members who have been willing to try something new and join us for our virtual meetings. While quarantine has put us a bit behind in being active, we have not stopped. And my hope is that we will find new ways to be active in our community, to help others, and to support each other as we continue to move forward! We are rewarding one female student with a scholarship that will help her pursue her college education at Madisonville Community College. We are also making t-shirts to commemorate the 100th anniversary of the 19th Amendment! One of my favorite quotes comes from author Maya Angelou: "Be a rainbow in someone else's cloud." Even in dark times, be that symbol of hope for someone who might not be able to see any hope at the moment. Keep shining brightly!

Hopkinsville BPW

DIANE CRONEY-TURNER, PRESIDENT

Greetings! In wake of the coronavirus (COVID-19) pandemic, the Hopkinsville BPW has not met since February 2020. The business where we meet has been closed during the pandemic and presently has not open for in house meetings. We are looking at having an in-person meeting in September, depending on updates from Governor Andy Beshear, City of Hopkinsville Mayor Wendell Lynch, County Judge Executive Steve Tribble, and the Pioneers' Inc., where we meet.

We have had a conference call to discuss some upcoming issues for our local. This is a difficult time, not just for our local, but for all locals, the State, and the United States. With that being said, we want everyone to stay safe, wear your mask, wash your hand often, and stay out of crowds. We are all in this together.

Russell County BPW

BARBARA SHARPE, PRESIDENT

As we all know, times have changed and we are doing things a little different now. Not only have businesses taken a hit with the COVID-19, our BPW group has also suffered, as we have not been able to, physically, have our monthly meetings. Thank goodness for social media and emails so that I can still keep in touch with everyone. Due to COVID-19, we had to cancel our fundraiser, RC BPW Vendors Fair, for July. However, we still have one scheduled for November. We were still able to provide our RC BPW Helen Cooper Memorial Scholarship to a female high school graduate, Daisy Pratt. Everyone stay safe and hope to see you in the near future!

Springfield BPW, Inc.

MARGARET GOATLEY, PRESIDENT

Like most clubs Springfield BPW has suspended their regular meetings through the spring and summer due to the Covid-19 issues. We postponed our Annual Wine Tasting and Auction scheduled for May 16th until August, and then regretfully cancelled it for 2020. This wonderful community event has been our primary fundraiser for many years. Some donors had already given to our Wine Tasting and Auction, and we are going to try to fund our scholarships and other donations with the funds from last year's Wine Tasting and Auction and with the donations received for this year's auction.

The Springfield Club was pleased to present a \$1,000 scholarship check in June to Kennedy Cochran who was awarded the "Be Your Best Self" scholarship at the Washington County Distinguished Young Woman Program last summer. She will be attending Georgetown College (KY) this fall. We will be awarding another "Be Your Best Self" Scholarship at the 2021 Washington County Distinguished Young Woman Program this year which has been rescheduled for August with a limited in-person audience.

We are trying to safe "distanced, masked, safe, and cool" this summer, and we look forward to gathering again!
