

# THE KENTUCKY CARDINAL

KENTUCKY FEDERATION OF BUSINESS & PROFESSIONAL WOMEN'S CLUB, INC.

Volume 90, Issue 1  
August 2018

## President's Message

**Mimi Becker**  
*2018-19 KFBPW President*

Dear BPW Friends,

To say I am overwhelmed with your support in my new role is an understatement. Eighty-eight women have served you as President since 1921. I am a fan of history and I was pleased to note that a woman from Danville was State President in 1936 – 1937.

The role of women in the work world has definitely changed in the 97 years since BPW was chartered in Kentucky. Many historians would say that women have come a long way in all these years and we have through the efforts of so many. We all know there is more to do to bring equal opportunity and benefits to women today and for all women in the years to come.

We can't lose sight of our goals as set out in our platform. When we work to accomplish these goals we will improve the lives of women. We will also improve the lives of all those around us. Women's success directly affects the success of their families and their communities.

In this year, do what you always do to contribute to your businesses, community organizations, schools and churches. Continue to take care of yourselves, keep those steps up and explore other ways to treat yourselves for your physical, mental and spiritual health.

But, I have a new task for you.

Make time to socialize with each other. Have fun together. Share some time with each other when you are not doing the business of your club or your professional life. These interactions between women have served to comfort, enrich, engage and encourage our lives through all of history.

During the Civil War, women used their hands to provide comfort and support to their sons, husbands, fathers and friends. Through the sewing of thousands of quilts, women both served the war effort and supported each other. At a time when basic family needs were provided almost solely by women, these women reached out to those who needed more and shared of their work for a greater good.

For those of you who took a quilt block kit at the State Conference, please take the time to complete it, give it away and share the story with me. Write it down and send it to me. I have a few more kits for those who may wish to participate. The experience may seem to be a small gesture, but I think you will find it a rewarding one.

Please feel free to contact me through the year with questions, concerns and ideas. Let's make it a fun one!

## Cathy Hughes

KFBPW PRESIDENT-ELECT

I am a 17 year member of Franklin BPW, holding every officer position, except treasurer and serving on or chairing almost all committees locally. I have previously been KFBPW Secretary (4 terms) and KFBPW Executive Assistant (3 terms). In 2016-17, I was the Regional Director for the West Region. I am active in my community through church and 4-H, where I currently serve as the 4-H Council President for Simpson County and the Simpson County Extension Council President.

I also stay very busy with my husband of 20 years Jason, 8 year old daughter Ruby and a full time job with Fruit of the Loom in Bowling Green, doing reporting and training for the last 5 years now.

I love crafting, spending time with my family and friends and being outside.

## Peggy Orberson

KFBPW VICE PRESIDENT

I am excited to serve this year as your vice president. My plan is to attend each regional meeting and get to know more of the members who can't always come to state conference. If I can help in the planning of any of your meetings, please let me know.

It is my privilege to know many of you, but I will list a few details of my background. My husband Steve and I have three children, five grandchildren, and one great grandchild between us. I have a Rank I in Education, MBA in Business Administration, and BBA in Accounting from Eastern Kentucky University. I began my career as a secretary-bookkeeper, working my way up to Accounting Manager at Whirlpool-Matsushita. During my mid-life crisis, I left the business world and returned to school to obtain teaching certification. The next 15 years were spent teaching business and technology classes at Lincoln Co. High School and Rockcastle Co. Area Technology Center helping students prepare for the business world. I served as FBLA Advisor and DECA advisor, as well as School to Work coordinator at various times. After retiring in 2010, I have worked part-time as needed at Stanford City Hall. I also volunteer extensively with Lincoln Co. Retired Teachers (president) and Fort Logan Hospital Auxiliary (treasurer), as well as other groups. I am an active member of Stanford Christian Church.

I am a longtime member of Stanford and Heritage BPW, having served in every local office and chair. My current role at Heritage is vice president. For North Central Region, I currently serve as Asst. Director. My state level experience includes two different years as treasurer.

I will be happy to help fellow BPW members in any way that I am able.

PRESIDENT-ELECT

I am honored to be serving as your President-Elect this year. I plan to stay busy this year learning all the things I need to do next year to make our organization be the best it can be.

I would like to put out a challenge to all locals to have at least one person serve on the Leadership Team next year. There are positions open on every committee and several committee chair positions open. Please let me know what you would be interested in doing.

Also, I am always looking for new and inventive ways to better our organization. If you have an idea you would like to discuss, please let me know, I want to hear all your ideas. This organization means a tremendous amount to me and I want to see it succeed in every way possible, but I need your help to do that.
